Cijantung, East Jakarta, 13750

## Educational Background

---

Prestasi Prima Vocational High School 2022 - 2025  
Computer Network Engineering and Telecommunications

## Reason For Applying

---

The reason I applied at Accelist Lentera Indonesia is one of the companies that operates in the information technology sector, besides that, another reason is that I also want to gain more experience.

Another reason is because some of the job desks provided are very worth it for new graduates

## Internship Experience

---

IT & Team Support  
Pako Professional Photo, South Tangerang  
July 2024 - December 2024
